An unforgettable honeymoon safari in a Private Reserve Taasa

Romantic 5 days/4 nights in luxury

Form 2950€ pp /all inclusive

Far away from the hustle and bustle of civilization, from the crowd of tourists, somewhere in the middle of nature, and at the same time luxurious; guests marvel at the level of luxury that can be found in the wilds of Tanzania. You won't find bucket showers at our lodge, but all modern comforts to make you feel like at home.

During certain months of the year (typically June – October) the migratory herds of wildebeest and zebra make for one of the natural world's most spectacular sights. River crossings, especially, are not to be missed. After dithering back and forth on the banks one brave wildebeest jumps in, with hundreds following behind. The migration is a phenomenon that must be seen to be believed. You'll be mesmerized by the sights and sounds of the natural world at its most impressive. TAASA is ideally situated for the Northern Serengeti migration towards the Mara River.
