As one of the world heritage sites Kilimanjaro is on the traveller’s bucket list. But not everyone can visit it while climbing. If you do not have the time, the right level of physical fitness or money to experience Kilimanjaro, a traditional way! We have other options for you - a faster and more convenient way of surviving Kilimanjaro beyond the standard weekly journey! You can not miss the opportunity to look at the Roof of Africa.

On aboard Cessna Caravan, on a 50-minute scenic flight to Mount Kilimanjaro, at 21,000 ft, you can spot the eye-catching all the main peaks and attractions of the mountain i.e Kibo, Mawenzi and the Reusch Crater and towering glaciers that have existed over 197,000 years.

**Kilimanjaro Scenic Flight** is a 50-minute, heavenly feast for the eyes, offering unparalleled views of beautiful glaciers, descending from the peaks of Kilimanjaro. You can admire the beauty of the highest mountain in Africa in advance and take a photo of your life! Some of the amazing observations include the beautiful peaks of Mawenzi and Kibo, the crater of Reusch, glaciers rising and much more from the flight.

We offer a safe and comfortable experience, using the best plane and crew. Our crew will help you board and provide you with comfort and readiness for a painless experience of Mt. Kilimanjaro. The fleet is fully equipped with adequate oxygen, so that guests can breathe freely at high altitudes, keeping their bodies in good condition to fully experience Kilimanjaro and its unique beauty.
